State

These bullets should appear in a box.

- Here is a bullet.
- Here is another.
- Even more.

How linguistic side effects interact

Where we are

- 1 Side effects in linguistic semantics
- 2 Algebraic effects and handlers**
- 3 Making it Montagovian
- 4 Quantification and anaphora

A new section

Here is some text that will go in the new section.

Where we are

- 1 Side effects in linguistic semantics
- 2 Algebraic effects and handlers
- 3 Making it Montagovian**
- 4 Quantification and anaphora

Making it Montagovian

Where we are

- 1 Side effects in linguistic semantics
- 2 Algebraic effects and handlers
- 3 Making it Montagovian
- 4 Quantification and anaphora
